

SAWTELL BRANCH CARNIVAL

Sunday 15th November 2009

We are aiming to set up three(3)water areas for this Carnival 2 Junior 1 Senior. This is due to HIGH TIDE being at 10.00am. We are aiming to get most of the water events out of the way while there is little beach to run beach events. However this will only occur if each club provides enough water safety.

Trailers will only be permitted on the beach for dropping off gear and reloading. Trailers cannot be left on the beach(as there will not be adequate beach due to high tide) Trailers are not permitted to be left in front of clubhouse.

As there is limited parking we suggest all gear trailers arrive early enough to park in the car park opposite the surf club (BBQ from 6.30am)

PLEASE ENSURE PARENTS ARE AWARE OF CARNIVAL RULES.

Organisers/Contacts for the Carnival are Ian James and Andrew Martin
